ROUND 3 VS CAIRNS DOLPHINS & MARLINS
SATURDAY 27TH APRIL 2024

They shall grow not old,
as we that are left grow old;
Age shall not weary them,
nor the years condemn.
At the going down of the sun
and in the morning,
we will remember them.

LEST WE FORGET.

Flames and Heat player jerseys will be auctioned during tonight's game and then later online

Approval was sought and granted from the Australian Government for the use of the term ANZAC in relation to all NBL1 Conferences.

An ANZAC Round Medal has been produced for all games played during this weekend.

The votes are to be awarded based on the player who best optimises the ANZAC Spirit of endurance, courage and mateship - so may vary to a traditional MVP vote.

Funds raised will be donated to a defence service related organisation.

Let's get loud tonight
